Specifications of ANOA EX+ - GREEN WARRIOR

Your ride to make the world a better place!

Top Speed	~ 49.9 km/h > Exact max. speed depends on rider's weight and on the physical riding circumstances such as road, tire or weather conditions; > tested with 75 kg rider.
Controller	52V 27A Skutis Gear controller (improved dynamics)
Max. Load	120 kg > designed for one rider; > 100 kg recommended.
Max. Range	Tested with 75 kg rider and with an average speed of 18 km/h: > 52 V/23.4 Ah lithium battery pack = ~ 60 km
Charging Time	8 hrs+ (with 3A fast charger; included)
Battery Type	52 V/23.4 Ah next-generation lithium battery pack (Skutis Gear)
Dimensions	Length x Width x Height: > Unfolded: 112 x 57 x 125 cm; folded: 112 x 19 x 45 cm; > Deck width = 19 cm; > Handle width = 57 cm (unfolded) / 13.5 cm (folded).
Weight of Skutis	~ 26+ kg
Motor	BLDC Hub Motor:

	<ul style="list-style-type: none"> > 52 V max. 1600 W (rated 1000 W); > Rear wheel drive.
Braking System	<p><u>Triple Braking System:</u></p> <ul style="list-style-type: none"> > Front brake: Mechanical disc brake; > Rear brake: Mechanical expandable drum brake; > Motor brake: Rear motor includes an automatic regenerative electric braking system (charging by braking); >>> Electric motor brake operates by pulling either the left or the right brake lever; >>> Electric motor brake can be switched on and off.
Climbing Ability	~ 25° (56%) (with additional kicking even more)
Dashboard (green)	<p><u>1. Display Shows:</u> Speed, remaining battery capacity, battery voltage, riding time, trip distance, the total mileage (ODO), the speed mode selected;</p> <p><u>2. Control/setting function:</u> Power switch control, wheel diameter setting, automatic idle dormancy time setting, backlight setting, start-up mode setting, driving mode setting, voltage grade, the controller set current limit value setting.</p>
Ignition Key System	Yes, with integrated green voltmeter (2 keys)
Speed Modes	<p>xx km/h (tested with a 75 kg rider on flat ground):</p> <ul style="list-style-type: none"> > Eco (1) ~ 20 km/h; > Fast (2) ~ 35 km/h; > Turbo (3) ~ 49.9 km/h.
USB Device Charger	Yes, 5V USB charger behind LCD (can be used to charge phones, lamps etc.)
Suspensions	High elasticity front (spring) and rear suspensions (spring with movable hull); 4 springs in total
Kickstand	Yes
Material of skutis	Aluminium forging alloy (main frame, steering handle bar)
Seat	Foldable seat with integrated suspension available as accessory
Tires	Robust 3*10-inch vacuum tires (unique special configuration); (PSI 45+ recommended, check every 2 months)
Horn	Yes, electric horn is integrated in front light
Front Light	Yes, high brightness LED headlight
Braking Taillight	Yes, bright red light with integrated braking light function
Direction Indicators	Yes, 2 bright amber coloured lights on the rear mud guard
Off-road Ability	Yes, semi-off-road suitable (runs on earth ways, lawns, and similar ground)
Brand of Skutis	ANOA EX+ - GREEN WARRIOR
Assembled in	Indonesia
Designed in	Indonesia (Registered Industrial Design)
Warranty <i>(Valid for Indonesia and Timor-Leste)</i>	<p>6 months for: Battery, charger, controller, display with speed thumb, motor, and scooter frame;</p> <p>No warranty for: Other parts such as wheels, suspensions, brakes, lights etc.</p> <p>NOTE: No warranty for any damage caused by water or if the battery pan was opened without permission.</p>
Colours Available	Black-Neon Green
